

## JUNCTION, EDGBASTON ROAD - PERSHORE ROAD (AREA 4)

**PAUL BARTLETT**

---

Traffic junctions punctuate my journey from the MAC to The University of Birmingham. Looking in various directions across this junction, signposts indicate proximity to Harborne, Ladywood, Botanical Gardens, Redditch, Kings Norton, Stirchley and City Centre, also back towards Moseley, Balsall Heath, Cannon Hill Park, Edgbaston Cricket ground and MAC, etc.
